
Family Commitment Statement

All families with students at Oakhill Christian School are expected to agree to the following commitment.

1. I as parent or guardian accept God's responsibility which says, *Train up a child in the way he should go and when he is old, he will not depart from it* (Proverbs 22:6) and do affirm that this training is carried on in the home. I promise that the home will provide a secure haven of safety, free from the very influences we recognize as harmful and focus on *whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable – if anything is excellent or praiseworthy—think about such things* (Philippians 4:8).
2. I have carefully examined and endorse the Mission Statement and Statement of Faith of Oakhill and desire the school to work with me in the total education of my children.
3. In accordance with the philosophy of Oakhill, my student(s) and I will maintain active involvement in an orthodox, evangelical Christian congregation.
4. I pledge my loyalty to the aims and ideals of Oakhill and will bring any criticisms directly to the faculty and/or administration so that those in authority may properly consider them.
5. If for any reason my child does not meet the academic requirements or cooperate with the disciplinary standards in accordance with the procedures stated in the *Student Handbook*. I will cooperate with the administration as it handles these situations and will avoid discussion with those not involved, so as to avert a spirit of dissension and division at either my child's expense or the school's. Oakhill reserves the right to dismiss, suspend or otherwise discipline any student who does not adhere to the standards stated in the *Student Handbook*.
6. I agree with Oakhill's philosophy that participation in extracurricular activities is an important aspect of a well-balanced education--...*in wisdom, in stature, and in favor with God and Man* (Luke 2:52)—and, therefore, will encourage my student to participate in accordance to his/her interests and abilities.
7. I understand that Oakhill Christian School is a non-profit ministry. Tuition is kept as low as possible to make quality Christian education available to those who desire it for their children. While tuition and fees cover basic operating cost, additional funds and services are required to enable Oakhill to maintain the high quality and excellence of its programs. In full cooperation with Oakhill, I will actively participate in the promotion of Oakhill with a commitment of my time, talents, and financial resources and will uphold Oakhill consistently in family prayer.

We realize the importance of joining OCS in a partnership for the best education of my child.
